You are invited to attend the Simulation in the Steel City, the SimMan User’s Group Meeting at the new WISER Simulation Center in Pittsburgh, PA.

This meeting is for simulation users and for those interested in implementing simulation into your curriculum. This two day meeting will include guest speakers and hands-on workshops on scenario building, curriculum development, validation using simulation and many other topics. The goal is to provide a forum in which you can establish a network of users and learn more about SimMan and simulation.

Breakfasts, lunches and breaks are provided both days. Bring your laptop computer to enhance your session participation.
